Amharic

ABOUT ME

I am Kindie Abera, a 3rd year Information Technology student at Debre Birhan University with a current GPA of 3.15. I am a passionate web developer dedicated to building modern, responsive websites and applications. I specialize in front-end development using HTML, CSS, JavaScript, and various frameworks. I aim to deliver visually appealing and user-friendly digital experiences.

PROJECTS:

E-Commerce Website

- Technologies: HTML, CSS, JavaScript, PHP, MySQL
- Description: Developed a fully functional e-commerce platform with product listing, cart, wishlist, and admin dashboard.

Student Management System

- Technologies: Java, MySQL, Java GUI
- Description: Designed a desktop-based system to manage student records and data interactions with MySQL.

Personal Portfolio Website

- Technologies: HTML, CSS
- Description: Built a responsive portfolio showcasing my profile, skills, and project experience.
